# WHY SHOULD YOU CHOOSE ME

I aim to provide personalised and responsible advice suited to your objectives and believe that sound advice and planning is the key to improving your financial position.

I undertake continuous professional development and training programs so that I am up to date with legislative changes to superannuation, investments, social security and tax environments.

I have access to technical, risk and investment research professionals who provide me with additional analysis on strategies and products that become available as a result of these changes.

I will help you sort out your goals and weigh up different investment strategies to achieve them.

Most importantly, I turn your thoughts into action. There are no secret formulas to achieving financial security. I work with you to get the basics right and ensure you have a plan to achieve your goals over time.

### **ADVICE I CAN PROVIDE**

I can provide you with strategic advice as well as arrange the types of financial products listed below.

I can help you to identify the types of services and products that will be appropriate to meet your financial goals. In addition, you can choose whether to receive advice about a range of needs all at once, or we can provide advice about a single issue, so your most important goals are achieved first. Further advice can then be provided over time about any other needs or goals as required.

I am authorised to provide advice on the products listed below:

### **STRATEGIES**

- · guidance on budgeting and goal setting
- savings and wealth creation strategies
- investment planning
- · gearing strategies
- superannuation planning
- pre-retirement planning
- · retirement planning
- personal insurance planning
- business insurance planning
- estate planning considerations
- aged care and Centrelink planning
- salary packaging advice

### **HOW I AM PAID**

I control 100% of the equity interests in the business providing the services listed above. As a result, I will benefit from fees, dividends or income received from the business's profits that may result from any payments or other benefits received in respect of the services provided to you.
